Scholarship Evaluation: Reference handbook

Review: Gives official directive of the Shanghai General Labor Union and seven  
 articles from the Shanghai Lao-tung Jih-pao on the proposes elections.  
 Book is somewhat outdated because materials deal with the reorgani-  
 zation and election of new officers in the primary organizations of  
 the Shanghai General Labor Union in early 1951. However, the details  
 of the organization and election of officers in these basic groups,  
 and the control of elections by the Shanghai General Labor Union  
 through their approval of the election list, indicates the pattern of  
 control in labor unions.
